Calendar & Jobs Story: <u>A – Z Baby Animals!</u>  Parent & Baby match (storyboard)	Calendar & Jobs Story: <u>Owl Babies</u>  Parent & Baby match (storyboard)
<b>Science &amp; Sensory</b>	Where do baby animals live/hide? We will sort animals by habitat.	We will discuss how babies (people) are different/similar to other baby animals.	Sensory Table: Buttons of all kinds, shapes & sizes.	Where do baby animals live/hide? What is camouflage?	We will learn to say many different animals in sign language.
<b>Arts &amp; Crafts</b>	Oil Pastels!  We will be working on a special gift for our Moms.	Easel Painting!  We will be working on a special gift for our Moms.	Baby animal masks!  We will be working on a special gift for our Moms.	Watercolors!  We will be working on a special gift for our Moms.	Easel Painting!  We will be working on a special gift for our Moms.
<b>Music &amp; Games</b>	Calendar Song (learning the days of the week)  5 Little Ducks!	Baby animal memory!	Calendar Song (learning the days of the week)  Baby Bumblebee!	5 Little Ducks!  Baby animal memory!	Calendar Song (learning the days of the week)  Baby animal memory!
<b>Extra Special</b>	Weekly Goal: To learn as much as we can about babies of all kinds. We will discuss how they are born, habitats, types and characteristics.	Sargent Benedict, a baby bearded dragon will be visiting this week.	We will continue to develop and take photos for our board. Each student will have an opportunity to be the photographer.	We will 'seek and find' many different camouflage baby animals.	Sharing Circle! Wed. Thurs. & Fri. Bring in something special to share! (remember no weapons)
