

Stargazers! Ms. Katy & Ms. Luda

All about Insects (and arachnids) Week 1!

July 3 – 7, 2017

	Monday	Tuesday	Wednesday	Thursday	Friday
Circle Time	Calendar & Jobs Story: <u>The Very Busy Spider</u> Why are spiders good to have around?		Calendar & Jobs Story: <u>The Very Quiet Cricket</u> What insects does he meet along his way?	Calendar & Jobs Story: <u>The Very Hungry Caterpillar</u> (storyboard)	Calendar & Jobs Story: <u>Leo the Lightning Bug</u> What bugs do we see in Washington?
Science & Sensory	Butterfly match! (storyboard)	Happy Birthday America! 	Hold a giant hissing cockroach! What do they feel like? Why and how do they hiss?	Sensory Table: Water & Insects!	We will look at the life cycle of a ladybug. How is it similar to a butterfly?
Arts & Crafts	Easel Painting! Bug Stamping!	We will be closed for Independence Day.	Easel Painting! Butterfly drip art! We will be hanging these from the vine in our class!	Easel Painting! Butterfly drip art! We will be hanging these from the vine in our class!	Easel Painting! Bug Stamping!
Music & Games	Calendar Song (learning the days of the week) Spider web obstacle course! Don't get caught in the web!		Itsy bitsy spider.... Bug in a rug! Can you guess?	Spider web obstacle course! Don't get caught in the web! Bug in a rug! Can you guess?	Itsy bitsy spider.... Calendar Song (learning the days of the week)
Extra Special	Weekly Goal: To learn as much as we can about insects and arachnids and how important they are to the environment.		We are expecting our caterpillars to arrive any day! We will watch how they transform into butterflies...	Ms. Katy will bring in many insect and arachnid specimens to observe.	Sharing circle (Mon. Wed. & Fri.) Remember your item must fit in your cubby and the weapons stay home!
