

Development Domain	Monday	Tuesday	Wednesday	Thursday	Friday
<b>Circle Time</b>	Ramps	Ramps	Ramps	Ramps	Force
<b><u>Language and Literacy</u></b>	<b>Goal:</b> To experiment with different objects to see which move best down a ramp.	<b>Goal:</b> To experiment to see what speed different objects move down a ramp. How could objects move in a different direction (up or down).	<b>Goal:</b> Brainstorm different uses for ramps in the real world (e.g. slides, freeway on-ramps, wheelchair access)	<b>Goal:</b> To see if weight or size makes a difference in speed going down a ramp	<b>Goal:</b> to understand force and how it is needed to make objects move.
<b><u>Knowledge and Skills</u></b>					
<b><u>Science, Math and Nature, Social and Emotional</u></b>	Small group	Small group	Small group	Small group	Small group (every day) Snack
<b><u>Development</u></b>	<b>Goal:</b> To let children experiment individually with different objects to see which move best down a ramp.	<b>Goal:</b> To let children experiment individually with different speeds and direction of objects.	<b>Goal:</b> Put out the different ramp blocks and encourage children to use them in their building with cars and people.	<b>Goal:</b> Experiment individually with weight and size using ramps	<b>Goal:</b> Use measuring tools or counting to divide snack into individual portions
<b><u>Small Groups</u></b> (rotated over the week so each child gets a turn with each group)					
<b><u>Physical development and health</u></b>	Sensory Table water	Play in the Woods,	Sensory Table water	Play in the Woods,	Sensory Table water
<b>Gross and fine motor skills</b>	<b>Goal:</b> Sensory experience. Experimenting with how water can move.	<b>Goal:</b> gross motor development, experiences with nature.	<b>Goal:</b> Sensory experience. Experimenting with how water can move.	<b>Goal:</b> gross motor development, experiences with nature.	<b>Goal:</b> Sensory experience. Experimenting with how water can move.
<b><u>Creative Arts Expression</u></b>	Playdough	Painting	Fingerpainting	Marble Painting	Texture Rubbings
	<b>Goal:</b> Creative expression and strengthening fine motor muscles.	<b>Goal:</b> To see what happens using different kinds, sizes and widths of brushes when painting.	<b>Goal:</b> To see how many different ways you can move your hands and fingers when painting.	<b>Goal:</b> To discover the designs paint covered marbles can make rolled on paper in a box.	<b>Goal:</b> creative art expression. Find different common surfaces to make a rubbing design.
