

Development Domain	Monday	Tuesday	Wednesday	Thursday	Friday
Circle Time	Discuss Structure	Look at some pictures of different structures.	Talk about how butterflies and humans are structures as well as buildings and bridges.	Experiment with the strength of the arch.	Sugar Cube Structures
Language and Literacy	Share some things we have built. What was easy, what was hard?	Goal: To understand the wide variety of what a structure can be.	Goal: To understand more about what structure is.	Goal: To see for ourselves how an arch can support more weight than a flat span.	Goal: To use a non-standard building medium to make a non-edible structure (it's used with glue).
Knowledge and Skills					
Science, Math and Nature, Social and Emotional Development	Small Group Look at our Painted Lady caterpillars. What changes do we notice? Goal: revisit how to observe characteristics and describe them. Record our findings by writing or drawing.	Small Group Build something as a group from tree blocks Goal: To work as a group making a common structure. Describe what was easy/hard.	Small Group Build something as a group from foam blocks Goal: To work as a group making a common structure. Describe what was easy/hard.	Small Group Build something as a group from small wood blocks Goal: To work as a group making a common structure. Describe what was easy/hard.	Small Group Snack Goal: Using measuring tools, shape recognition or counting to portion food or note characteristics of food.
Physical development and health Gross and fine motor skills	Play in the Woods, Gather mobile sticks. Goal: gross motor development, experiences with nature	Sensory Table cornmeal Goal: Sensory experience. Experimenting with measurement and conservation.	Play in the Woods, Gather mobile sticks. Goal: gross motor development, experiences with nature	Sensory Table cornmeal Goal: Sensory experience. Experimenting with measurement and conservation.	Play in the Woods, Gather mobile sticks. Goal: gross motor development, experiences with nature
Creative Arts Expression	Forming with Playdough and Craft Sticks Goal: Creating structures with a forming medium.	Butterfly Mobile Goal: Creative expression. Making a mobile structure. Experimenting with balance.	Cardboard Structures Goal: Creative expression using different medium and joining techniques.	Drawing Goal: Creative expression. Draw a something you made with blocks.	Dot Painting Goal: To use painted dots as a way of creating a pattern structure.
