

# Elementary School Here We come!

## Delayed Start for Kindergarten

We now know that Kindergarten is not starting for three days after rest of the elementary school, so teachers can meet and welcome their new families. *(WA Kids state mandate)*

The first day of Kindergarten for **Northshore Sept 10th/11th** and

**Lake WA school districts is September 7th.** If you are doing before and/or after school care with us Let me know if your child will be here August 4 to 7th for full day care, this will be included in the September Tuition. You can drop off as early as 7:00 AM, or your regular time.

We will then start our van runs to Wilder (LWSD) Sept 4th and Eastridge (NSD) on Wed, September 5th for 1st grade students, Make sure I know the first day I will be providing transportation for your student to and from school.

## Attendance: Out? Let us and your school Know!

If you know in advance that your child will not need to be dropped off at school or picked up after school please make sure to write it in the Communication book in the Lobby and Ms. Katrina (AM) and Ms. Prudence (PM) will check it daily to know about a schedule change.

If you don't know about a change in advance please call by 8:20 in the morning for the AM van run or 2:45 in the afternoon for the PM van run.

PLEASE Let us know if they go home from school sick or you pick up early.

Any changes to your schedule are important to let us know.

Your child may be the only one we are going to a school to pick up so it is important to let us know they will not need to be dropped off/picked up. It will save us time sitting in line waiting to pick them up.

If your student does not come to the van after school we will contact the office to find out if they are at school to pick, up or if a parent picked up. If our van is ever late the school staff will stay with your child and take them to the school office until we arrive to keep them safe.
