

Stargazers! Ms. Katy & Ms. Krystal

Going Green! Earth Day!

April 22 - 26, 2019

	Monday (Earth Day)	Tuesday	Wednesday	Thursday	Friday
Circle Time	Calendar & Jobs Story: <u>Sarah Cynthia Sylvia Stout Would not Take the Garbage Out!</u> (storyboard)	Calendar & Jobs Story: <u>I Stink!</u> (garbage ABCs) (storyboard)	Calendar & Jobs Story: <u>Garbage Trucks (Mighty Machines)</u> How can we help keep our earth clean?	Calendar & Jobs Story: <u>I am a Garbage Truck</u> What is recycling?	Calendar & Jobs Story: <u>The Lorax</u> What lesson did he learn? What could they have done differently?
Science & Sensory	What is Earth Day ? What can you do to help the Earth?	Recycling sorting! What is metal/glass/paper/plastic?	Flubber! What can you make?	Where does our garbage go? Where do the items go that we recycle?	Sensory Table: Magnets & Metals
Arts & Crafts	Easel Painting! Painting with REUSEABLE items.	Easel Painting! Foot painting! (they may come home with paint between their toes)	Easel Painting! Together we will decorate our own recycle bins for use in class	Easel Painting! Bubble wrap (reuse) painting!	Easel Painting! Painting with REUSEABLE items.
Music & Games	Freeze dancing!	Magnetic recycle Sorting! Where does it belong? Calendar Song (learning the days of the week)	Calendar Song (learning the days of the week) Zithers!	We will reuse ordinary items to make our own instruments!	Magnetic recycle Sorting! Where does it belong? Zithers!
All the Rest!	Weekly Goal: Learn to sort recyclables into categories & recognize that everyone contributes to the trash created each day.	We will have a special guest from waste management come in to share with the class (date to be determined)	How can we reuse, reduce & recycle in our class each day?	Together as a class we will make a fun game using only recycled materials.	Sharing Circle! Wed. Thurs. & Fri. Bring in something special to share! (remember no weapons)
