

AIR & SPACE

Summer Fun: Things that Go August 12-16, 2019

Busy Bees (Stargazers) Ms. Krystal & Ms. Rachel

	Monday	Tuesday	Wednesday	Thursday	Friday
Group Time, Story, & Classroom Jobs	<p>Story: <u>Magic School Bus: Lost in the Solar System</u> What would we see if we traveled through our solar system? Learn about the other planets and compare to Earth.</p> <p>Calendar & Jobs</p>	<p>Story: <u>The Cloud Book</u> What are clouds? Understand how they are formed and what they do.</p> <p>Calendar & Jobs</p>	<p>Story: <u>On the Moon</u> What is the moon like? How long does it take to get to the moon? (Four days!) Understand how gravity affects us in different places throughout space.</p> <p>Calendar & Jobs</p>	<p>Story: <u>The Glorious Flight</u> Discuss how airplanes were invented and how they are built. Why do they fly? How are our lives different now we can travel by plane?</p> <p>Calendar & Jobs</p>	<p>Story: <u>I Want to be an Astronaut</u> What do astronauts do? What would it feel like to travel in a rocket ship?</p> <p>Calendar & Jobs</p>
Science, Math, & Sensory	<p>What does air feel like? Can we see/hear/smell/taste it?</p>	<p>Sensory Table: Sand What is gravity? What would happen without it?</p>	<p>Measure distance (in scale) from Earth to the moon in our classroom.</p>	<p>Make paper airplanes, focusing on how to fold accurately.</p>	<p>Measuring! How far did your plane travel? We will measure.</p>
Art & Explorations	<p>Easel Painting!</p> <p>Stickers and chalk constellations!</p>	<p>Easel Painting!</p> <p>Paper Airplanes! How far can yours travel?</p>	<p>Easel Painting!</p> <p>Straw (blow) painting with air!</p>	<p>Easel Painting!</p> <p>Stickers and chalk constellations!</p>	<p>Easel Painting!</p> <p>Paper Airplanes! How far can yours travel?</p>
Music and Group Games	<p>Calendar Song (learning the days of the week)</p> <p>Twinkle, Twinkle Little Star</p>	<p>Pretend we are in the clouds. What would our bodies feel like? How would we move?</p>	<p>Create a "moon dance": 4 small groups each come up with movement pretending to be on moon/in space</p>	<p>Calendar Song (learning the days of the week)</p> <p>Practice moon dance</p>	<p>Dance/Movement We will pretend to move our bodies as though we were on the moon, bouncing on clouds, and through air versus water. How does space affect our bodies?</p>
Weekly Extras	<p>Weekly Goal: To learn as much as we can about air and space travel.</p>	<p>How does a parachute work? We will play parachute games!(weather permitting outside)</p>	<p>Read <u>Moon Glows</u>, <u>Hildilid's Night</u>, and <u>Fortunately</u> for quiet time.</p>	<p>Sharing Circle! Wed. Thurs. & Fri. Bring in something special to share! (no weapons)</p>	<p>Build a rocket ship on the play yard!</p>
