

# The Shyne School

Dear Parents,

As you secure your Fall space at The Shyne School you will need the new Fall rate sheet. It is attached for the coming year with the same rates from the previous year. Due to the current situation we do not feel this is the right time to raise rates. You will find we are far below cost than other schools offering similar quality. We will reevaluate a tuition rate when we see the economy returning to some normalcy. If we do raise the rates at a later date families will be given a 30 notice about the change.

We follow the Northshore School Calendar for our breaks (Only and Plus schedules) and some closures. You will find the tentative calendar attached for next year, finalized once venues are secured and social events are back open. The calendar will have a list of important dates so you can plan ahead for the days we are closed and special events. We send out updates to the calendar through newsletters, Facebook Page (The Shyne School), the web site [shyneschool.com](http://shyneschool.com), the online calendar, and with bi-weekly menu's and monthly billing. We also post everything in the communication book and to our parent calendar in the lobby!

To follow NSD delayed start, our classes will start on **September 10, 2020 this year to June 18, 2021.**

**Our current & new full day students will start in their new classes on September 1, 2020.** Current Students will visit and transition to their new class, prior to (9/1/20) their first day in their new class, while at school. Please call or e-mail the school to set up visits for your [new or returning students](#) between June 8-12 for a June 23rd start. Fall transitions August 17 to 5, and Sept 1 to 9th for a September 1st or 10th, 2020 start date. Parents stay with students for these visits from 10:00 to 11:00 AM. Parents must wear a mask while in the classroom, and mask or 6 ft away outside. Only one parent per child for visits. Make sure to turn in your full registration packet three or more weeks before your start date if you have a **new** student! <http://shyneschool.com/pdf/Registration-Pack.pdf>. You can view your account information at MyProcure.com, just use your e-mail to start an account, you will then be prompted to set up a password and you can view your information, let me know if you have up any updates to your information. You can view tuition statements and print receipts as you need them.

Our rates will not increase at this time, but we will reevaluate at a later date.. The rate increase is made after careful consideration. *(Rate increases are based on a 11 school comparison.*

We are a licensed center and participate in the Early Achievers Program with a goal to provide the highest quality program possible. We use Teaching Strategies goals with a per student cost to track children's learning so our teaching can be intentional on an individual bases as well as meet the classes needs. We strive to give our teachers a livable wage and paid benefits. You will find our prices are very competitive to other schools in the area, however, our staffing, educational programs, low ratio's, quality menu/food and overall environment are high quality. We also offer families a lot of flexibility for their schedule needs, that many centers do not offer.

For our school age program we include the cost for non-school, holidays and early release days that they will attend when The Shyne School is open. Our tuition is inclusive of the dates posted on the school calendars for NSD and LWSD. Families are made aware of, and communicate changes with the director, about the specific dates care will be needed for our before and after school age families. This year we will be providing transportation to Cottage Lake and Eastridge for before and after school.

Thank you for the opportunity to be part of your family. We are honored by the responsibility you entrust to us. We know that the consistency, patience and love we give to children on a daily basis is important to you and your child. We will continue to offer you the kind of program we would want for our own children. We appreciate your opinions and hope you will take the time to let us know how we are meeting your families needs. We are always available if you have any questions or concerns, you can call or e-mail us. Our goal is to keep The Shyne School a wonderful place for children and their families!

*Thank you for your trust, Bill Shyne* **Owner** [wvshyne@hotmail.com](mailto:wvshyne@hotmail.com) & *Katrina Brooke* **Director**
