Breakfast and snacks include two of the four food groups. Breakfast is served at 7:30. Lunch consists of all four food groups (grain, protein, fruit/vegetable, and dairy). Menus are rotated on a six week basis. Each week contains a vegetarian meal. (Please let the office know if your child requires a vegetarian or other special diet substitution) We work hard to limit lunches to no more than one processed food item for lunch per week. Most meal items are made from scratch with whole grains and fresh fruits and vegetables. e Shyne School does not serve tree nuts.
