

Reminders!

- Doors open at 7:00AM. Breakfast is 7:30 to 7:45 AM. No special treats from home.
- Please arrive by 9:20 so your child is here for group time to be included in the concepts for the week. It is also hard to join a group already started. Deliveries, tours, visits are also scheduled at 9:30 AM.
- We Close at 5:30 PM. Please arrive before 5:30 PM to allow you and your child time to gather belongings, use the restroom and be out the door at 5:30 PM.
- If your program ends at 11:30/12:30 or 12:45/2:00 please pick up as close to that time as possible, it can effect teachers planning time. For full parking, 15 minute grace period. After that, overtime is charged from your regular pick up time for actual time used.
- Overtime: If you regularly use over an hour a day you could pay more per month than the longer scheduled day.
- Label all clothing and shoes
- HOLD HANDS in the parking lot. ONLY PARENTS open doors and gates PLEASE.
- Parents drop off with teachers. Please be quiet in the lobby once Stargazers has started.
- Children must always be in visual and auditory range.
- Please do not walk through a closed classrooms, when dropping off or picking up,

The Shyne School Family Newsletter

September & October 2023

Director's Desk

Welcome back to School! Our first goal each and every year is to build a positive relationship with students and families. **Please help us by leaving your cell phones off or in the car.** We want to build a partnership so you are comfortable entrusting your precious children to us each day.

Please help us by letting us know if we are meeting you **and your child's needs.** If you have concerns let us know so we can keep on eye on the problem or give you an understanding of the bigger picture about what is happening at school. We are available to meet and love to help as a resource as well! You can request a conference or phone conversation with your teacher at any time.

We work hard to help the children feel comfortable and transition to their classes. We see improvements everyday. If you have questions about the transition process please talk with your teacher or me. Develop a routine and keep it short, it is harder if you stay longer.

Once the children are comfortable at school we will start practicing **fire and earthquake drills.** Please help keep them safe by always logging them in and out on the time clock or correction sheet. When you hit finish after selecting your child's button, make sure it tells you it completed successfully. If it gives you a message *"procedure not completed, see the director"* then **PLEASE** sign in or out on the correction sheet so I can correct your attendance log. **We need to be able to read your name.** You do not need to see me. You can

also use the Procure App and log in and out on your own device.

Please call the school for all time sensitive information such as If your child will be out for the day. If they are out sick please let us know what their symptoms are, and how high their fever is, when you call. We are required to track illness for the health department. Students must be symptom free, medication free, for 24 hours before returning to school. Please call by 10 AM to let us know the change in schedule. This effects lunch and special dietary needs, curriculum and staffing. **E-mail is not always checked until the afternoon.**

Stop and notice the dew on the spider webs!

Katrina Brooke, Director

Annual Fall Festival

We are working on plans to host a Fall Festival.

We would like to invite all the families to a Fall Festival filled with games, arts and crafts and fun treats!

We are hoping to host it on a Thursday in October, at 6:00 to 7:30 PM in the cafeteria at Cottage Lake Elementary, just about 3

minutes North on Avondale, **I will keep you informed!**

2022 we had slap bracelets, treat bags to take home, crafts, face painting, ping pong toss, **optical course, tattoo's and bowling.**

PARKING LOT ETIQUETTE

Please wait at the top of the hill for a spot. Please do not pass the car waiting, unless waved around. If you are a large vehicle and can not park in a spot open please wave the next vehicle around you. **Only pass** if you are waved around. **NO DOUBLE PARKING.** Please bring your patience the start of school can be a new time for many parents. **BE KIND!!**

Help us Go Green—No Idling

This Newsletter is coming to you digitally as well as our monthly statements to save paper.

We do not allow cars or other vehicles to idle in our designated parking areas.

We do not use scented or unscented candles or man-made air fresheners. (*Occasionally we use candles for activities—birthdays, oral stories, jack O' lanterns.*) Please do not wear perfume or cologne into the school. Apply after drop off.

We avoid conditions that lead to excess moisture and we maintain

adequate ventilation. Our furnace in main has a heap filter and we have air filters in the Waddler and Pre-K classroom.

We do not permit smoking/vaping anywhere on the premises or in sight of children.

We use unscented, biodegradable, non-toxic cleaning projects (*Vinegar and water, Simple Green...*).

We use the least-Toxic disinfecting and sanitizing products when they are required, they are only used for their intended purpose and in strict accordance with all label instruc-

tions.

We use chlorine bleach only when and where it is required or recommended by state and local authorities. We use it prudently and never use more than necessary.

We do not use aerosol sprays in the presence of children.

We do not use house paint when children are present.

We have non-chlorinated well water for drinking, tested monthly.

We use Mercury free, digital thermometers. We use only non-toxic art supplies.

www.cehn.org/ehcc/resources

We recycle, compost and keep garbage covered to avoid attracting pests.

Our disposable spoons, forks, plates, bowls, cups are all compostable.

It takes a long time to become young.

Pablo Picasso

Birthdays

We leave it up to each family to talk with your child and decide what favorite food they would like to bring for their celebration. We have enjoyed watermelon, pudding, cookies, ice cream cups/bars, donuts, yogurt and berries and cake.

Please talk to your teacher and make arrangements to bring in a treat in advance.

We will supply a crown for the birthday person and candles.

Parents are welcome to attend if they wish. If you have a special song or ritual from your family or culture, we would love you to share that with us if you would like to, otherwise we will have **fun singing "Happy Birthday"**.

If your child has an allergy or diet restrictions you are welcome to bring in an alternate treat to keep in the freezer for us to substitute. Please remember we are a **nut free school**.

Chaperones for Field

Trips are always needed! To

drive other students parents need to submit a copy of their insurance coverage and get a STARS ID# and portable background card. Start at:

<https://apps.del.wa.gov/MERIT/Home/Welcome?ReturnUrl=%2fMERIT%2f>

The background check is \$12 and fingerprinting is \$42. It is good for five years at any preschool you attend. If you will drive for all your students field trips we will reimburse you the cost.

Daily 10 hour Limit!!

Please keep in mind 10 hours is the limit on the number of hours a day a student can attend The Shyne School. Keep in mind that a 10 hour day is a VERY LONG day for your child! If you go over 10 hours I will call to see if we can brainstorm to find a way to reduce the length of their school day.

Parent Communication

Parent communication is very important to us. If you would like to meet please set up a time in advance for an in person, zoom or phone conference so we can talk without little ones listening in.

I get so many wonderful e-mails about raising and educating children. Instead of e-mailing the information out I post them to our **web site blog and Facebook**

page. Occasionally I am asked by the Department of Early Learning to forward information directly to parents.

Our teachers send weekly with lesson plans, menu and parenting information and reminders of coming events, dates and times.

A **Communication Notebook/Calendar** is in the lobby by

the payment box so parents can note any schedule changes, important information, pick up changes or helpful information about your child that is non-confidential. I also note when staff will be out and special events. Great way to keep everyone in the loop.

If you have question or concerns about the program, teachers, schedules or tuition please contact me at 425-882-1981 or e-mail me at director@shyneschool.com

Individual School Photo's

Individual Photo's:

Picture Day is coming up on Wednesday, October 25th at 10:00 for Dewdrops and 10:30 for Stargazers. On Thursday, October 26th at 10:00 for Rainbow and 10:30 for Sunshiners.

If your child does not regularly attend on the day your class is

scheduled their photo will be taken on the day you attend that the photographer is here or you are welcome to come for the photo. **Please communicate your plans with your teachers.**

Our photographer is Kathleen Williams and you can view her work at <https://www.kathleenwilliamsphotos.com/schoolphotos>

Parents will then be **able to view the photo's and order online.** A link will be sent when photo's are ready.

Spring we will offer individual photo's again as well as do Class Photo days April 23rd and 24th.

Curriculum Night

Each teacher plans the individual lesson plans for their class based on their observations of the children.

Teachers will use WA Developmental Learning Guidelines on the Procare **App to track and assess children's progress and learning.**

Join us at Curriculum Night and learn about the goals and objectives for this year and opportunities to volunteer and help in your child's class.

Meet other parents and see what your child has been doing and what is to come. **You can set up a confer-**

ence with your teacher for an individual chat. Curriculum Night is for all parents not individual discussions.

Curriculum Night is for parents only from 6:00 to 7:00 PM. We ask for at least one parent for each child to attend.

Oct. 4th Dewdrops Ms. Amy

Oct. 11th Rainbow Ms. Colleen

Sept. 28th Stargazers Ms. Krystal

Oct. 12th Sunshiners Ms. Katy

You can double park for this event only! If you do, be prepared to leave 1st.

Teachers look forward to meeting with parents to explain curriculum, answer questions and give you a look at the classroom. Every year is different due to age and development and teacher.

Enrichment Classes

Amazing Athletes (PE) on Wednesdays/Thurs/Fri—Once a week from 12:30 to 1:00. Month to Month. Parents sign up directly with Amazing Athletes and need to give a two week schedule notice change. amazingathletes.com/eastside

MyProcare.com Parent Portal

Parents can log into **MyProcare.com** by using the e-mail we send statements to. After logging in you set up a password. Once you have set up your password you can sign into your account and **update information** for contacts, your information and immunizations. You can view **your full tuition ledger and print receipts** as you need them. **PLEASE** list your cell carrier so you can receive emergency messages. **UPDATE This information please!!!** This is separate from the Procure Parent Engagement App.

Did you know?

Water: The Shyne School is on crisp clean well water that is tested monthly. **Waste Management:** We are on a septic system. **Organic Produce:** We get our weekly organic produce from Klesick Farms and you can too! You can pick up a weekly box in the lobby on Thursdays, just go to www.klesickfarms.com 360-652-4663 and order by the Sunday before. **Green Zone:** We protect the students from toxins in their air and environment, Keep our air clean and **turn off your car!**

Teachers will send home a copy of the initial **Developmental Milestones check list** by the end of November (first 90 days of school). **Parent conferences** are available upon your request and from November to January. You can view the check list on line by age at <http://www.cdc.gov/ncbddd/actearly/milestones/index.html>

Holidays—Rosh Hashanah, Halloween...

So many holidays, so little time! We love to keep our program **culturally relevant** for the children attending and invite parents to join us and share their holidays, traditions and customs! (Parents have an open door policy!)

Each holiday we look at a **developmentally appropriate focus**. For example Halloween and later in the year Purim, is all about how we can change: we grow, paint our face, wear a hat or mask, and change our clothes and wear costumes! We will ask families to bring costumes from home. (Teachers will send out guidelines—we have a **no violence/weapons policy**). Our no violence policy follows the local WA School Districts policies.

Looking at the developmental aspect of any holiday we leave out the violent, scary and religious aspects. We want to welcome all families to share holidays, food, traditional dress, and routines. We are not a religious based program but know that many Holidays are “Holy” Day based. We work on acceptance of how we are all the same and all a little different at the same time. For example: we all have eye’s but they are all different sizes, shapes and colors.

We focus on all areas of development when we plan our curriculum. We work hard to create an environment that children can explore and experience. We want them to see themselves reflected in their classroom.

In fall I love seeing the children carrying around different size pumpkins and gourds in the class. They have a ton of fun pulling the insides out of the pumpkins. I love when classes bake pumpkin pie, one of my favorites! Love fall!!
